### INSTRUCTIONS FOR COMPLETING THE CITY OF GILLETTE INDIVIDUAL TRADE LICENSE APPLICATION (NEW)

The City of Gillette has adopted the 2021 Building Codes. This application has been revised to better assist the applicant in complying with the provisions of the Gillette City Codes, specifically Chapter 5. The following information is not all inclusive. Please refer to the City Codes at www.gillettewy.gov > City Government > Current City Code > Chapter 5 "Buildings" for specifics.

USE THIS FORM IF - New License: Applicant has not previously been licensed with the City. Applicant presently holds a trade license with the City and wishes to add a new trade license. Note: Individuals seeking multiple trade licenses should complete a separate application for each trade/class. Upgrade License: Applicant wishes to change the class of his or her existing City trade license (for example, from a journeyman electrician to a master electrician). Expired License: Applicant was licensed with the City for the class of license applying for, however, such license has expired and the 30day grace period has lapsed or will lapse prior to the completed application being received by Building Inspection.

TRADE LICENSES - The City requires licensing of individuals in the following trades (classes): Electricians (master, journeyman); Gas Pipefitters (master, journeyman, and apprentice); HVAC Technicians (master, journeyman, and apprentice); Plumbers (master, journeyman, and apprentice) and Refrigeration Technicians (master, journeyman, and apprentice). Please review the following information to determine which license or licenses are appropriate for the type of work to be performed. Applicants may require more than one trade license.

AUTHORIZATION - Licensing of an individual as an Electrician, Gas Pipefitter, HVAC Technician, Plumber or Refrigeration Technician does NOT authorize the licensee to perform his or her trade within the City limits EXCEPT when such work is done as an owner or payroll employee of an entity that is licensed with the City as a Class D Contractor in the appropriate trade, with the required permit(s) in place.

APPROVAL PROCESS - Completed applications for Individual Trade Licenses go before the Board of Examiners for approval. The Board regularly meets the second Tuesday of each month. Once approved by the Board, licenses are immediately active. Denied applications will be notified via mail. If you do not receive a License or Notification of Denial within one week following the BOE meeting, please contact the Building Inspection Division at 307-686-5260.

SUBMITTAL DEADLINE - Applications are submitted to the Building Inspection Division for processing. Incomplete applications will be returned to the applicant. Completed applications received by 5:00 PM on the Monday (Tuesday if Monday is a holiday) before the Board's monthly meeting, will go before the Board for approval at that month's meeting. Applications received or completed after the deadline listed below will be processed for approval at the next BOE meeting.
